Q2

Designed for Pour Over

**38mm
Pentagonal Burr**

Package Contents:

1Zpresso Q2 Manual Coffee Grinder, cleaning brush

Product Specifications:

Color: Light Grey

Weight: 385g (0.85lb)

Dimensions: 13.8 x 12 x 4.6 cm

Grounds Capacity: 15~20g

Materials: 420 Stainless steel, 304 stainless steel, aluminum alloy, wood

Inner Adjustment

30 steps per rotation

DUAL-BEARING SHAFT

Dual-Bearing Shaft

Better stability for better grind consistency.

QUICK-DISASSEMBLY DESIGN

Quick-Disassembly Design

Disassembling/Reassembling without any tool and re-calibration.

JX

Designed for Pour Over

**48mm
Stainless Steel Burr**

Package Contents:

1Zpresso JX Manual Coffee Grinder, cleaning brush

Product specifications:

Color: Light gray

Weight: 700g (1.5lbs)

Dimensions: 15.8 x 5.7x13 cm

Grounds Capacity: 30~35g

Material: 304 stainless-steel, aluminum alloy, wood

Swift-Disassembly Design

All of the 1Zpresso grinders can be disassembled without any tool and allow thorough cleaning and maintenance without re-calibrating the burr.

Internal Adjustment Dial

30 clicks / 10 digits per round

The internal adjustment dial with 30 clicks each rotation enables you to find the right size setting for your favorite flavor.

JX-PRO

**48mm
Stainless Steel Burr**

Designed for Pour Over/Espresso

Package Contents:

1Zpresso JX-Pro Manual Coffee Grinder, cleaning brush

Product Specifications:

Color: Light grey

Weight: 780g (1.7lb)

Dimensions: 18 x 5.7 x 13cm

Grounds Capacity: 30~35g

Materials: Wood, polycarbonate, silicone, stainless steel, aluminum alloy

Fine Adjustment Dial Design

40 clicks / 10 digits per round

**The JX-Pro is equipped with the top adjustment with
10 numbers/40 clicks per rotation, 12.5 microns per click.**

The central shaft and burr are fixed together to enhance grinding consistency.

J-Max

Designed for Espresso

**48mm
Coated Burr**

Product Specifications:

Color: Dark

Weight: 750g (1.65lb)

Dimensions: 19.3 x 5.2 x 15 cm

Grounds Capacity: 30~35g

Materials: Wood, polycarbonate, silicone,
stainless steel, aluminum alloy

Package Contents:

1Zpresso J-Max Manual Coffee Grinder,
cleaning brush, cleaning blower,
anti-slip rubber, 1Zpresso Cylinder Case

Super Fine Adjustment Mechanism

90 clicks / 9 digits per round

Designed primarily for espresso, the J-Max has the finest adjustment among all the 1Zpresso grinders. With 8.8 microns per click, it allows you to find the sweet point more easily.

Magnetic Catch Cup

The Magnetic Catch Cup can be easily removed in a flash by turning clockwise or anti-clockwise, holding up to 35-40g coffee grounds.

48mm Titanium Coated Burr

The titanium-coated burr fixed with the shaft makes the grinding more effortless and enhances the stability.

K-PRO

Designed for Pour Over/Espresso

**48mm
Stainless Steel**

Product Specifications:

Color: Grey, Brown, Dark

Weight: 750g (1.65lb)

Dimensions: 19.3 x 5.2 x 15 cm

Grounds Capacity: 30~35g

Materials: Wood, polycarbonate, silicone,
stainless steel, aluminum alloy

Package Contents:

1Zpresso K-Pro Manual Coffee Grinder,
cleaning brush, cleaning blower,
anti-slip rubber, 1Zpresso Cylinder Case

Brown

Dark

Grey

EXTERNAL ADJUSTMENT RING

With 9 numbers and 90 clicks per round, the burr moves 22 microns each click. A larger number for a coarser grind size. Dial your preferred grind setting in no time as you would expect from an electric grinder; find the optimal grind size for your espresso machine and reach the sweet spot for your

SPECIALIZED “K BURR”

Grinding coffee with K Burr no longer has to be troublesome; instead, it could be something joyful! The K-series grinders have excellent performance on consistency. Starting with a medium-coarse grind size for pour-over, you can make a cup of coffee with a clean and bright taste that is hard to achieve with other grinders.

K-PLUS

Designed for Pour Over/Espresso

**48mm
Stainless Steel**

Product Specifications:

Color: Grey, Brown

Weight: 800g (1.76lb)

Dimensions: 18.6 x 6.2 x 15 cm

Grounds Capacity: 35~40g

Materials: wood, polycarbonate, silicone,
stainless steel, aluminum alloy

Package Contents:

1Zpresso K-Plus Manual Coffee Grinder,
cleaning brush, cleaning blower, anti-slip
rubber, 1Zpresso Travel Case

EXTERNAL ADJUSTMENT RING

With 9 numbers and 90 clicks per round, the burr moves 22 microns each click. A larger number for a coarser grind size. Dial your preferred grind setting in no time as you would expect from an electric grinder; find the optimal grind size for your espresso machine and reach the sweet spot for your

SPECIALIZED "K BURR"

Grinding coffee with K Burr no longer has to be troublesome; instead, it could be something joyful! The K-series grinders have excellent performance on consistency. Starting with a medium-coarse grind size for pour-over, you can make a cup of coffee with a clean and bright taste that is hard to achieve with other grinders.

K-PLUS GRINDER with the MAGNETIC CATCH CUP

While you shake the shaker, coffee grounds can be released in a second through the hole at the bottom of the blind tumbler. The catch cup can hold up to 35-40g coffee grinds and can be removed easily in a second by turning it.

K-MAX

Designed for Pour Over/Espresso

**48mm
Stainless Steel**

Product Specifications:

Color: Dark

Weight: 700g (1.55lb)

Dimensions: 19.3 x 5.2 x 14 cm

Grounds Capacity: 35-40g

Materials: Wood, polycarbonate, silicone,
stainless steel, aluminum alloy

Package Contents:

1Zpresso K-Max Manual Coffee Grinder,
cleaning brush, cleaning blower,
anti-slip rubber, 1Zpresso Cylinder Case

EXTERNAL ADJUSTMENT RING

Having the same adjustment mechanism as the K-Pro and K-Plus, the K-Max also has 9 numbers and 90 clicks per round, and the burr moves 22 microns each click. A perfect grinder for both pour over and espresso!

SPECIALIZED “K BURR”

Grinding coffee with K Burr no longer has to be troublesome; instead, it could be something joyful! The K-series grinders have excellent performance on consistency. Starting with a medium-coarse grind size for pour-over, you can make a cup of coffee with a clean and bright taste that is hard to achieve with other grinders.

Magnetic Catch Cup

K-Max is a combination of K-Pro and K-Plus with a slimmer magnetic catch cup (without blind shaker set).

Quick Disassembly

All of the 1Zpresso grinder can be easily taken apart without any tools, allowing a thorough cleaning and maintenance.
